Visit [www.active-ict.eu](http://www.active-ict.eu) to access the homepage.

## Language setting

Select a language by clicking on a flag in the top right corner of your screen. The page will reload and show text in your selected language.

## Get information about AcTive

Click on [“About the project”](#) or on the bigger button on top, to get information on the project, e.g. it’s aims and participating countries:

Both of these buttons will take you to the following page:

This page offers detailed information about the project.

On the bottom of this page, you can also access and download a Flyer with project-info.

Click [“Open PDF in new tab”](#) to view this file larger in a new window.

Further information can be accessed on top of the page by clicking on [“PARTNER”](#), [“MEETINGS”](#) (dates, contents, pictures of the project meetings), [“DISSEMINATION”](#) (view/download press releases).

# Materials

Click on “**Materials**” to access a page with PDF-files of the training materials and assistive technologies.

Click on any file to get to its page. All the files can be viewed, downloaded and/or printed.

## Training material

**Experimental training materials (PDF)**

**Training material (PDF)**

## Assistive technologies

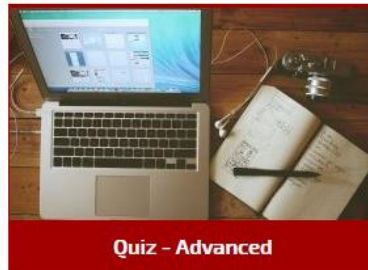

**Automatic stove shutoff (PDF)**

Every file on assistive technologies offers a description as well as links to a YouTube search with explanatory videos and/or further information like studies or Wikipedia pages on each technology. Clicking on these will open a new tab.

## Learning platform

Clicking on "[Learning platform](#)" will direct you to a page with several quizzes, exercises and features (see below). Each exercise has its own button. Simply click on any exercise to open its page.

Clicking on "[Participate](#)" will allow you to suggest other assistive technologies and/or Quiz questions and answers, which should be added to the web site. To continue click Form "[Assistive technologies](#)" or Form "[Quiz questions and answers](#)", fill out the blank spaces, type in the captcha and click "[Send data](#)".

Clicking on "[Guestbook](#)" will let you write a new entry as well as view already existing entries. Click "[Write new entry](#)", enter your name and e-mail address, write your message, consent to the terms of the guestbook by clicking the box, type in the captcha and click on "[Send](#)" to complete your entry.
